- The fees collected will be based on 100% Pro Rata — Pro Rata meaning we will accept our percentage of the total fee based on the percent of the composition we own and/or administer. (Example: If the total licensing fee is quoted at \$10,000 and we control 50% of the publishing rights, we will quote \$10,000 pro rata and will invoice and collect \$5,000).
- All fees are MFN with co-publishers and master holder.
- As the approvals process can take some time, please submit your request at least 4-6 weeks prior to the requested posting date.
